la langue française à travers les siècles describes the development of the french language from its latin origins to its most recent form the book explains how written and oral french have been influenced by other languages over the centuries and then shows the traces of these influences in its modern vocabulary and pronunciation trudié maria booth points out interesting etymologies throughout the book in an easy to understand manner and shows the reader how the language of cicero became the one of molière booth defines linguistic terminology such as substrat superstrat néologisme synthétique and analytique and mentions historic events whenever they are relevant for the evolution of the language at the end of each section the reader has the opportunity to test his or her knowledge by completing a number of review exercises a french english glossary and an answer key to the exercises can be found at the end of the book la langue française à travers les siècles is appropriate for all francophone readers interested in the history of the french language and can be used in intermediate and advanced french language and culture courses at high schools colleges and universities

this new companion introduces the most important medieval vernacular literary genre in britain and continental europe

the late nineteenth century fin de siècle has proved an enduringly fascinating moment in literary and cultural history it is associated with the emergence of intriguing figures such as the new woman and uranian with contradictory impulses of decadence and decay on the one hand and of experiment and renewal on the other as well as with unprecedented intercultural exchange especially between britain and france the 22 newly commissioned essays collected here re examine some of the key concepts taken to define the fin de siècle while also introducing hitherto overlooked cultural phenomena into the frame such as the importance of humanitarianism the impact of recent research in material culture is explored particularly how the history of the book and the history of performance culture is changing our understanding of this period a wide range of cultural activities is discussed from participation in avant garde theatre to interior decoration and from the writing of poetry to political and religious activism together the essays provide new scholarly insights into british fin de siècle and enrich our understanding of this complex period while paying particular attention to the importance of regionalism
